

# CLIMATE CHANGE & GLOBAL INEQUALITIES:

## *A TRILOGY OF TALKS BY THE SCM*

The *Science Communication and Media group* presents the first talk of our “**Climate Change and Global Inequalities**” series:

### **THE POOR WILL PAY THE PRICE:**

**WHAT WENT WRONG IN THE POLITICS OF CLIMATE CHANGE?**

***A Conversation with Prof. Federico Rampini***  
*Journalist and International Correspondent - Repubblica*

**Monday, March 12<sup>th</sup>, 2018**  
**6 PM, reception to follow**

**Carson Auditorium, The Rockefeller University**  
**1230, York Avenue, Manhattan.**

6 PM: An introduction to the SCM Climate efforts, including our zero-waste campaign (see attached document for more tips on how you can start living waste-free)

6:05 PM: Presentation by Prof. Rampini: Climate Change & World Politics.

6:30 PM: A Conversation with Prof. Rampini - Moderated by Mr. Luigi Marini, Legal Advisor at the UN and High Court Judge

6:45 PM: Questions from the audience

7 PM: Evening reception and Table by the Community of Sant'Egidio, presenting its local and global activities.

This event is organized in collaboration with *The Community of Sant'Egidio USA* (<https://www.santegidio.org/>), a Peace-building organization that works to tackle poverty-related issues with global and local projects.
